The PDF page count is bottom center; top center bold numbers count PDF pages with any verses (“**Line Pages**”) and (marked #C) PDF pages of 100-lines (“**C Pages**”).

In the Posthomerica, separate PDF page, Line Page and C Page counts count from the beginning of the Posthomerica and from the beginning of the Iliad.

In the Odyssey, separate PDF page, Line Page and C Page counts count from the beginning of (a) the Odyssey, (b) the Iliad (excluding the Posthomerica), and (c) the Iliad continuing through Books 1 through 12 of the Posthomerica, then on through the Odyssey.

Verses seem aware of such counts. C Page, Line Page or PDF page count xyz may direct attention to the row of line yz on that Line Page if x=0. If x>0, C Page, Line Page or PDF Page count xyz may direct attention to the row of line yz on that Line Page or, at farther range, on a page x Line Pages or C Pages before and after that page (continuing the count on the first Line Page or C Page of that Book if there are fewer than x Line Pages or C Pages after).
